

Average Monthly Payment Plan Sign Up

Photo ID required

What is Average Monthly Payment Plan?

Average Monthly Payment plan simplifies household budgeting by a **12-month rolling average** of utility bills so you pay approximately the same amount each month. The higher bills that occur during months of high water, sewer and sanitation usage are leveled out over the year. The plan is open to all **residential customers** who have **lived at the same address for the past 12 months with no disconnects or late fees.** **The account must have Auto Pay prior to enrollment.** If a payment is returned or not received by the due date you will automatically be removed from the Average Monthly Payment Plan. For more information, call Utility Customer Service at 405-789-2146.
